

Ethically Sourced Ingredients

ORGANIC VIRGIN DATE KERNEL OIL: ETHICAL ORIGINS AND BENEFITS

Suitable for beauty and personal care applications.

INCI: Phoenix Dactylifera (Dates) Seed Oil

Extraction Method: Cold Pressed

Processing Method: Filtered

Shelf Life: 2 Years

Origin: Tunisia

Praan Naturals Organic Virgin Date Kernel Oil is a luxurious, high-quality oil that is cold pressed from the kernels of the Deglet Nour variety of dates. Commonly known as the Date Palm, the species *Phoenix dactylifera* is a palm tree that is cultivated in regions of Africa, the Middle East and Asia. The Deglet Nour variety of dates are widely sought after for their delicious flavor and soft consistency. They are also commonly incorporated into desserts and are used to create natural sweetening alternatives to sugarcane and honey. Praan Naturals Organic Virgin Date Kernel Oil is an ethically sourced, nutritive and stable oil that is ideally suited for the finest personal care formulations. It is 100% pure and is expertly cold-pressed at a verified maximum pressing temperature of 118.4°F (48°C). It is then carefully filtered, packaged and stored to maximize its shelf life and protect its nutritive properties.

Our Organic Virgin Date Kernel Oil is celebrated for its purity, exceptional quality, and environmental sustainability, reflecting our commitment to both excellence and eco-conscious practices.

Key Attributes

100% Organic and Pure

Produced from organically grown date kernels, this oil is certified organic and is free from synthetic additives and pesticides. The production process preserves the natural properties of the oil, ensuring it meets the highest standards of quality.

First Cold Pressed for Quality

Our Date Kernel Oil is produced through first cold pressing, which maximizes nutrient retention and ensures an exceptionally high-quality product. This method avoids high heat or chemical extraction, maintaining the oil's natural integrity and potency.

Superior Freshness

Our manufacturing partner stocks only freshly harvested date kernels, which are cold-pressed upon order. This practice ensures that our Organic Virgin Date Kernel Oil maintains its superior freshness and quality.

Environmental and Sustainability Practices

Our trusted manufacturing partner focuses upon the following practices:

Biodiversity

Emphasis is given to biodiversity and maintaining a healthy ecosystem.

Zero-Waste

Our partner is deeply committed to focusing upon a zero-waste approach. Praan Naturals Organic Virgin Date Kernel Oil is cold pressed from the kernels of Deglet Nour dates as a derivative (secondary) product, ensuring that there is zero-waste.

PRAAN naturals®

Ethically Sourced Ingredients

Supporting Local Organic Agriculture

The practices of our manufacturing partner supports the fertile region of Southern Tunisia. They support organic farming and prioritize biodiversity and the health of local ecosystems. By avoiding synthetic pesticides and fertilizers, the farming process contributes to preserving the natural balance and richness of the land.

Empowering Local Communities

Located in Tunisia, our manufacturing partner places great emphasis on social responsibility. They prioritize empowering women, who are the cornerstone of the rural economy. They create jobs and support fair practices.

Cruelty-Free Production

Praan Naturals ensures that no animal testing is conducted at any stage of production. Our Organic Virgin Date Kernel Oil is cruelty-free, offering a compassionate choice for environmentally and ethically conscious consumers.

Sustainability Commitment

Our manufacturing partner values environmental stewardship and social responsibility.

Our Organic Virgin Date Kernel Oil embodies these values, providing a product that supports well-being while respecting the planet.
